RE: PROJECT CARE

Dear Parents,

Project Care will implement the following new guidelines for the 2018-2019 school year.

- Daily rate of \$5 per day, per student
- At enrollment you will be required to make a payment towards your students Project Care account. Project Care will now work like the Food Service Program in that your student **MUST** have a credit balance in their Project Care account in order to attend the after school program.
- If your students account reaches a zero balance, your student will not be allowed to attend Project Care. You must have alternative arrangements in place for your student(s). Once a payment has been made to the students account, then your student will be allowed to return to Project Care.

If you have any questions please do not hesitate to give me a call at 620-347-4116.

Respectfully,

Greg Gorman, Superintendent
